## **Company Digitalization Course**

## New legal strategies

The Department of Law (through Campus Iberus) and the University of the State of Colombia, sign a convention to jointly provide a postgraduate degree on the Digitalization of the company and its legal implications. Professors Anna Cediel and Paloma de Barrón have drawn up the curriculum and postgraduate design, in coordination with Professor Silvana Fortich, director of the Observatorio de Nuevas Tecnologias y Derecho Privado of the Colombian University.
