# Maternity in the distance

## Photographic exhibition

[Program](#) [ /export/sites/Ddret/ca/.galleries/Activitats/MATERNITAT-DISTANCIA.pdf ]

Date: from December 14, 2022 to February 1, 2023

Place: Plant lobby -1 to Facultat de Dret Economia i Turisme

Within the framework of the "Maternity in the distance" project, financed by La Paeria, the area of Public International Law and International Relations and ANUE-Lleida present a photographic exhibition. The visitor can get closer to the reality of Colombian women through the history of their children: where they are, how long they have been away from their country and the reason that pushed them to leave.
